

Health and Safety Policy Statement

Cube Install Ltd is committed to complying with the highest levels of health and safety. In order to support and enable this, the business runs a UKAS registered OHSAS 18001 Health and Safety Management System and is committed to the ongoing development and improvement of this framework.

Through this policy Cube Install Ltd acknowledges its commitment to:

- The prevention of accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from work activities.
- The provision of adequate training to ensure employees are competent to do their work
- Engaging and consulting with employees on day-to-day health and safety conditions and provide advice and supervision on occupational health
- The implementation of emergency procedures - evacuation in case of fire or other significant incident.
- The maintenance of safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage / use of substances

Arrangements put in place to meet these commitments include:

- Relevant risk assessments completed and actions arising out of those assessments implemented. (Risk assessments reviewed when working habits or conditions change.)
- Staff and subcontractors given necessary health and safety induction and provided with appropriate training (including working at height, asbestos awareness and electrical safety) and personal protective equipment. We will ensure that suitable arrangements are in place to cover employees engaged in work remote from the main company site.
- Staff routinely consulted on health and safety matters as they arise but also formally consulted at regular health and safety performance review meetings or sooner if required.
- Escape routes well signed and always kept clear. Evacuation plans are tested from time to time and updated as necessary.
- Toilets, washing facilities and drinking water provided.
- System in place for routine inspections and testing of equipment and machinery and for ensuring that action is promptly taken to address any defects.
- Health and safety law poster is displayed
- Accidents and ill health at work reported under RIDDOR

The company representative for matters relating to health and safety is Kevin Goodenough.
